EVENTS LEGEND

Group Events – Mandatory

These are the **NSW Group Events** that we ask all cadets to attend. This year, there are **five** events: the athletics and swimming carnivals, the Sydney ANZAC Day Parade, the Ceremonial Parade through the streets of Sydney, and the Group Review held at Blacktown.

Even if you aren't the most outstanding swimmer or athlete – the emphasis is on having fun and getting involved, and we get points if you participate! Last year, we came 3rd overall at the swimming carnival – can we beat that this year?

Group Events – Optional

These are the optional **NSW Group Events**.

- Field Days – these are opportunities to practise drill and get badges in drill and flag party, as well as NCO promotion interviews.
- Flying Camp – an opportunity to learn to fly for older cadets
- Recreation Camp – fun camp held at Castle Mountain, Webbs Creek, near Wisemans Ferry
- Training Camp – this is a training opportunity for potential NCOs
- Cadet of the Year Interviews – we will be looking for cadets to nominate this year to be the NSW Cadet of the year

Squadron Events

These are **Squadron Events** to be held throughout the year

- Visits will be held on weekdays during the school holidays; in the past, we've visited museums like **Fighter World at Williamstown**, and parental assistance to get cadets to these visits is appreciated
- We are planning a Bunnings BBQ fundraiser at North Penrith Bunnings to raise funds and help keep costs down – more info once the date is finalised

Wing Events

These are events run with the other Squadrons in **Kerr Wing** (Richmond and Blacktown). The Training Day is an opportunity to prepare for the Group Review held in September, while the other two are fun events!

Other Stuff

A few other events are still in the planning stages, including more visits to emergency services and aviation businesses and a Squadron flying day at Camden Airport. Once these are finalised, we will update the calendar.
